Please enrol with the link above. You will need an
email address

to sign up to services such as ChatGPT, ElevenLabs, Grafana, Google ... etc.
This can be a burner email address e.g. protonmail, gmail, yahoo etc.

It doesn't have to be the email that you used for the course, but you must be
able to access it during the course to get security codes.

*To make no mistakes is not in the power of
man; but from their errors and mistakes the
wise and good learn wisdom for the future.*
